Worlds Most

Popular Medical

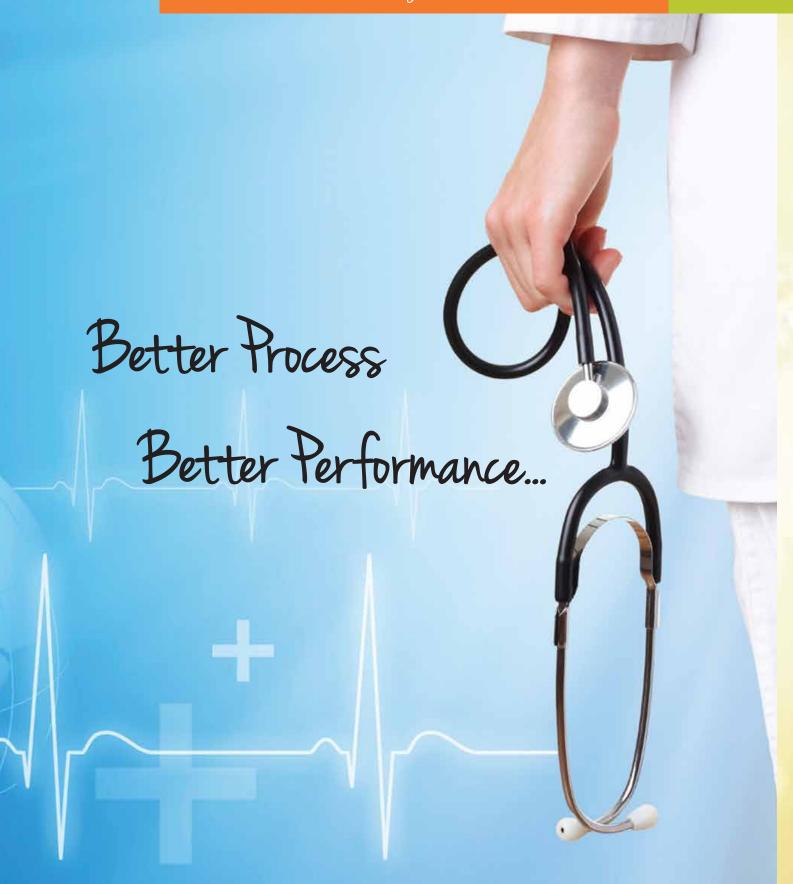

Destination

- India is growing as a super power in both space exploration and in medical tourism.

 US spent £410 million compared to the £45 million spent by India in Mars Orbiter

 Mission, in the same way the knee replacement in the United States costs \$40,000

 where as in Canada it costs \$14,000 with 206 days wait time, where as in India it costs
 mere \$5000 with no wait time.
- Over the years, India has grown to become a top-notch destination for medical value travel because it scores high over a range of factors that determines the overall quality of care. Imagine a complex surgical procedure being done in a world class global hospital by acclaimed medical specialists at a fifth to tenth of what it normally takes.
- The Medical Tourism Market Report: 2015 found that India was "one of the lowest cost and highest quality of all medical tourism destinations, it offers wide variety of procedures at about one-tenth the cost of similar procedures in the United States.
- Traveling to India can be an exhilarating experience for any tourist as the vast diversity of this intriguing enigma is unmatched. It runs hand in hand with spirituality in this country of colourful people, rich culture and abundant festivities.
- India imported 6 billion USD worth of medical devises to meet its burgeoning health-care sector.
- Over 1 million foreigners visited India for healthcare since 2010.

1 FACILITIES

techniques.

India has well established and matured accreditation
system, India has a good number of JCI (Joint Commission International) accredited hospitals. The
hospitals in India are capable to provide quality healthcare on par with developed countries.

O CUTTING EDGE TECHNOLOGY

India has cutting edge technology to support
medical diagnostics and medical procedures. India imported billions of dollars worth of medical
devises to meet its burgeoning corporate healthcare, to support technology and operative

TALENTED HEALTHCARE PROFESSIONALS

India has internationally renowned medical practitioners who are trained in premium institutions across the globe. With a large number of doctors, there is a high level of competency and capability in adoption of newer technologies and innovation and fresh treatment methods.

PERSONAL CARE

As opposed to the situation in the developed countries

such as in Canada and US where the patient will be discharged at the earliest possible and they are on their own. In India the health care facilities have more flexibility and prefer to keep the patient in the hospital until the supervising physician recommends. If required an extended recovery period will be planned and accommodation provided.

AFFORDABLE COST

Quality service at affordable cost is what attracts

patients across the globe. We provide the patients an opportunity to select appropriate healthcare provider by following competitive bidding process. Economical healthcare should not be consider as a compromise, when it comes to health nobody will take a chance, therefore the foreign patients who visit India are not attracted by low cost but rather high quality healthcare with a fraction of cost is what attracts them.

THE WARMTH AND HOSPITALITY

Among the top medical destinations of the world, India

has the highest percentage of English language speaking population. India's rich and varied heritage with cultural diversity makes the people of India foreign friendly which is very important to understand patients. The warmth and hospitality of Indian hospitals is a big factor in choosing India as a healthcare destination.

7 NO WAIT TIME

It's zero waiting time in India for any procedure, no matter how complicated the procedure is all it takes is time to arrive to the hospital.

PROM RESEARCH TO PRACTICE

The cases where newly found research procedure which was published in reputed medical journals but not implemented on a wide scale due to regulatory reasons, can be adopted in India by medical practitioners after obtaining necessary approvals from the authorities and taking prior consent from the patient.

9 PRIVACY

Privacy of the patient is taken with utmost care,

everyone else except for the individuals who are involved in medical practice interacting with the patient, you were on vacation.

Booking Conditions and Other Important Information

Disclaimer: Travel is personal and each individual's goals and experiences may differ. Janani Medical Tourism will not be bound by, or liable for, any description, photograph, representation or warranty made by or provided by any independent third party sales representative, Travel Agent, or other person or entity relating to any vacation offered by Janani Medical Tourism.

Departure Date: The departure date is the date indicated on the Janani Medical Tourism confirmation.

Security Security is a major concern to all of us and the situation globally is constantly changing. Events around the world, coupled with the "Travel Advisories" put out by various governments, may at times necessitate changes to the accommodations and itinerary or even trip cancellation. You must accept these risks involved in travel to any country that may experience security difficulties and accept responsibility for your own travel decisions

Transfers: Between airports, hotels, railway stations and piers are included as indicated on each itinerary. There will be no refund for missed or unused transfers. If you did not purchase your flights from Janani Medical Tourism you will need to provide your arrival and departure flight information to Janani Medical Tourism at the time of booking. It is your responsibility to update Janani Medical Tourism with any changes to your flight schedule to ensure that you receive your transfers. Failure to do so may result in missing these services and no refund shall be due for missed arrival transfers resulting from missing or outdated flight information.

Porterage Baggage handling of one suitcase per person, at each guided vacation hotel and porter service at airports for intra-air inclusive guided vacations, is included in the guided vacation price. Due to limited motor coach capacity, a single bag is allowed with dimensions not exceeding 30"x18"x10" (76x46x25cm) and weight not exceeding 50 lbs. (23kg). Airlines may impose stricter weight and size limits for luggage and may also charge fees for checked baggage, including the first checked bag. Please check with your airline(s) directly for their most current baggage regulations and related fees. Janani Medical Tourism is not responsible for additional fees imposed by air carriers regarding baggage.

RESERVATIONS & PAYMENTS: 1. Your vacation will be confirmed after receipt of a non-refundable, non-transferable deposit. We reserve the right to refuse a booking without giving any reason and shall in that event return any deposit received. If not received within 3 calendar days of booking, the reservation will automatically be canceled. On certain departures, deposits may be required at time of booking to hold seats.

- 2. Final payment for your land reservation will be due prior to departure no later than as detailed in the Summary Information table. Payment in full will be required at time of booking for reservations made less than 45/80 days (as detailed in the Summary Information table) prior to departure date.
- 3. Janani Medical Tourism reserves the right to cancel the reservation and impose cancellation charges if any payment is not received as detailed within the Summary Information table above. Janani Medical Tourism will not be responsible for lost land and/or air reservations.
- 4. Credit Card Bookings: Janani Medical Tourism should be advised of your credit card number when making your reservation directly with us. For security purposes, we are required to collect the guest's credit card billing address, card expiration date and the customer verification code every time a payment is applied.
- 5. Any special meal requirements, including allergies, must be provided at time of booking and are received on a REQUEST basis only. Janani Medical Tourism cannot assure special meal requests will be fulfilled and does not assume responsibility or liability if requests are not fulfilled. 6. Your Travel Agent shall hold all monies for each and every person named in the booking until the booking is confirmed at which time your Travel Agent shall provide those monies promptly to us. You consent to us depositing monies received by us as required by law. We will be entitled to keep interest earned on monies. You consent that all monies paid to us whether through your Travel Agent, by deposit or otherwise, may be disbursed by us as and when we see fit.

Travel Documents Provided full payment has been received travel documents will be sent in electronic format no later than 21 days prior to departure. You may opt to receive hard copy documents in which case these will be sent you approximately 21 days prior to the departure date. If final payment is not received when due, costs to courier documents will be the responsibility of the Travel Agent. If you are leaving home earlier, please ask your Travel Agent to request your travel documents well in advance. Please also make sure that you provide your Travel Agent with the flight details that are booked independently no less than 21 days prior to flight departure date.

Passports & Visas A valid passport is required for travel on all Janani Medical Tourism Asia programs. Passports must be valid for at least 6 months after the scheduled return date of the vacation. Any visa(s) or any other documentation required for any particular itinerary is the sole responsibility of the guest. Conditions of entry can change at any time, please check with your Travel Agent or Janani Medical Tourism. Obtaining and carrying these documents is your sole responsibility. Janani Medical Tourism will not be responsible for any delays, damages, and/ or losses including missed portions of your vacation related to improper documentation. Due to government imposed security/immigration measures, passport and emergency contact information is required for all guests prior to release of travel documents. Janani Medical Tourism will require full passport information (full name, date of birth, passport number, issue and expiry dates) prior to final payment.

BOOKING CHANGES, CANCELLATIONS & REFUNDS Booking Changes A fee of \$35 or more per person, per change and any further cost we incur, will be charged for any revision or alteration made to a reservation after the booking is confirmed with payment unless the change increases the price of the booking. Costs and charges may increase the closer to the departure date that changes are made. We will try to make your requested change but it may not be possible. A change of guided vacation date or itinerary within 45/80 days (as detailed in the Summary Information table) of departure date will be treated as a cancellation. Cancellation fees will apply except when the change is to an earlier departure date and the guided vacation price is equivalent or greater, in which case a \$35 (or more) per person amendment fee will be charged.

Name changes or corrections will be treated as a cancellation and fees may apply. You must also pay any charges imposed by airlines for any changes, including name and date changes. This can be up to 100% of the value of the ticket.

CANCELLATIONS AND CANCELLATION FEES:

Travel arrangements for any member of the party may be canceled at any time by written notice by the person who made the booking. Please note the following:
